EXPERIENCE

**2021-Present**

SELF EMPLEOYED
Freelancer

I worked as a freelancer, providing video, audio, and photo editing services for individuals and local organizations. I helped them enhance their projects and converted their ideas into high-quality media.

July 2024-Present

PENTASOFT PROFESSIONAL
Software Devoloper Intern

I used to plan, write and manage records for updated software of the firm while responding promptly and professionally to bug reports. In additon to that planing, developing and evaluating all the information for recommendations.
